3/9/22 Good afternoon, Doug,

Thank you for reviewing staff comments and the status of your application/plans with me yesterday. By way of this email I am confirming that any revised plans that address staff comments shall be submitted not later than 3/14/22 by noon. Plan will be sent to relevant departments for a second review and comments. We will do our best to get our reviews done by the date of the meeting, but, per our discussion, I cannot offer any guarantees. I am still awaiting comments from the Building Official and I will forward any upon receipt.

Also as a follow-up, the existing house at 245 Rte. 32, although apparently built in 1897, does not appear to be on either the National or State register of historic homes, nor is it listed in Montville's inventory. Demolition permits would have to be obtained through the building department.

Please contact me with any questions. Thanks.

Regards,

Liz Burdick
