The water and sewer connections for the sink must be shown on the plan. Will the building department permit these connections?

Good morning Mike,

Yes, this sketch is for the outdoor kitchen. Originally the applicant only showed counters. There is now a hand/bar sink with water lines and sanitary run, power, built in grill, 180 lb propane tank.

Please let me know if you need any additional information. Thank you.

Regards,

Good morning,

Is this the outdoor kitchen?
