Good morning Meredith,

A sign including the address of the property is included in the most recent revision of the site plan and will address the need for address identification.

Sammy has offered to leave the gate unlocked so there should be no need for a Knox box for emergency access.

Thank you!
Dave

Good afternoon Dave,

These comments were received this afternoon from the fire marshal office. There is 2 section of this email so please scroll down.

Thank you,
Meredith
