**CAUTION:** This email originated from outside the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Good morning,

Lot 1 meets the requirements of the CT Public Health Code for subsurface sewage disposal.

Lot 2 will be used for solar panels only and therefore Uncas Health does not have any comments as a septic system and well will not be constructed on this lot.

If you have any questions, please feel free to call or email me.

Thank you,  
Alyssa
