Resubdivision Application (24 SUB 3 – 958 Route 163)
958 Route 163 (Parcel ID: 046-008-000)
Oakdale, Connecticut 06370**

Dear Chairperson Lundy & Commission Members:

Please accept this letter to withdraw my Subdivision/Resubdivision Application for the proposed 1-lot resubdivision of 958 Route 163.

It has come to my attention that a Subdivision/Resubdivision Application can not be submitted to Planning & Zoning until an application to the Inland Wetlands Commission has been submitted first. I plan to re-submit this application upon submission of a Town of Montville Inland Wetlands Application. I have requested that the fees for the withdrawn application be applied to the future application in lieu of a refund.

Thank you for time and consideration in the matter.
