Subject: RE: Route 32 - Horizon View - Response to Staff Technical Review Comments

Good afternoon Roy & Mark,

I have reviewed all of your responses to my comments. The only comment that needs more clarification is #9. Could you kindly provide a breakdown of the cost for the erosion control and site restoration bond. I will then send to our engineer for review and approval.

As always, please contact me with any questions.

Regards,

Meredith Badalucca, CZE0
