Good Afternoon, Megan and Meredith,

As you know, today, the Deputy Fire Marshal sent a comment regarding the access road needing to be 20' wide. There may be a miscommunication as the Fire Marshal (see below) permitted an exemption to allow the Tribe to keep the current width.

Thank you,
Linda

Asst. Chief McDonald,

The exemption is granted by the Town of Montville Fire Marshal's Office. The driveway can remain 15'. If the Tribe intends to park vehicles on Church Lane and have patrons/employees walk to the proposed business, then that entire driveway will require illumination. That would also be considered a means of egress.

Any questions or comments, please reach out.
