Hi Meredith,

Thank you for confirmation from the Fire Marshal for waiver of the 24 ft wide access drive. The attached are revised plans to show the proposed non-slip walkway with a revision to note 9 and 10. The plans now show lighting on the building corner which we think will be adequate for rear lighting. If this looks okay, we will print copies and hand-deliver on Tuesday. Please let us know what you think.

Thanks,
Linda
