Land Use Department,

The Montville Police Department comments are in regards to General Notes, on page C-5.1, #2. The end of this note states that the "Contractor" will "provide traffic control necessary for this work".

The contractor will need to check with the Montville Police Department, to determine what level of traffic control is needed; i.e. police services.

That's my only comment at this time.

Respectfully,

LT David Radford II #09
