Good Afternoon,

The Montville Police Department only has the following comments, at this time. It appears to be well off the road and not an issue with its proximity to Rte. 85 and traffic. I believe I saw approximately 1,100 feet off the roadway, which poses no risk to the occupants of said structure. Also, with Rte. 85 already equipped to handle moderate traffic, this should not impact anything.

Respectfully,

LT David Radford II #09
