

TOWN OF MONTVILLE  
Parks& Recreation Commission  
Special Meeting Minutes-February 21, 2018  
5:30 p.m.

- Meeting called to order. In attendance were: Commissioners Kristin Ventresca, Karen Perkins, Dawn Penman, Ryan Hartman and P&R Director Peter Bushway
- Minutes from January special meeting were not approved as those at the meeting didn't receive them.
- Discussion about changing the carnival to just 3 days~ Fri, Sat and Sun. Pete didn't feel this would be acceptable by the carnival company. After much discussion it was decided to not remove Thursday unless it interferes with graduation.
- Kristin V. brought to our attention a concern from the MHS Booster committee concerning parking IF graduation was pushed off to either Thur or Fri
- Karen P. suggested adding a stipulation into the contract IF graduation is Thur that we only have the carnival for 3 days and eliminate Thur. IF graduation is Fri, we change the times from 5p.m. - 10p.m. to 8p.m. - 11p.m. (or midnight if allowed).
- Karen P. asked that the commission see the contract before Peter signs and submits it to the carnival company.
- Peter B. has confirmed the Billy Joel tribute band, River of Dreams, for Saturday from 7p.m.- 9p.m.
- Ryan H. talked to The Music Bureau in Salem about sending performers to the carnival. He will contact them and have them make an itinerary to send to Peter for planning.
- The stage will be set up for Fri and Sat for the musical performances. Electricity will be provided.
- It was decided that there will be no charge for any vendors. Peter will make the change on the application.
- Peter B. will be contacting volunteer groups to handle parking. Fire Dept, and Police have been made aware.
- The Community Center will not be open for the public during the carnival.
- Ryan H. inquired about the progress of the beer tent. It is still being researched to see if it is possible to do. The possibility of it being run by an outside vendor was suggested. Danielle B. will contact someone from Lebanon Fair to find out about their beer sales and logistics.
- The idea of a cornhole tournament was discussed for either Friday evening and/or Saturday afternoon. Ryan H. will research the price to purchase boards.
- Kristin V. made a motion to adjourn. Matt B. second. All in favor. Motion passed.
