Direct Dialogue September 2009

Does anyone know what month it is.....Well it is one of parents' favorite months and many kids most dreaded.....Back to School September! Yes it is hard to believe that yet another summer is behind us...and the weather was so-so at best....brutally hot the last couple of weeks of August, but it was great beach and "sit-by-the- pool- weather! This year we had such a blast at the Summer Center and so did the 25 teenagers that were part of the program...from music video & movie days, to water balloon fights, to the awesome field trips, a great time was had by all! But now it's time for us all to get back in the school time routine. MYSB ASP is ready...with a few new renovations and primarily the same staff members we are in our Ready, Set, Go mode!

Welcome back to our returning ASP kids and parents, and welcome aboard to our new ASP kids and parents. We hope to make the 2009-2010 school year as successful as the past 9 years of MYSB's ASP have been. Time flies they say but that is because we are always having fun! We try and keep things mellow for the first month of school to the best of our ability...with only one field trip scheduled, but look out for October because it is jam packed with all sorts of fun stuff! So take September to get familiar with your routine and adjusted to your schedule, because it is "full speed ahead" until June 2010! Have a Sensational September and be sure to join us for our first "**All Play No Work**" Event scheduled for Saturday September 26<sup>th</sup> here at the Youth Center...stay tuned to Channel 22 and our website for details, also more information will be sent home in the mail.

~ Warmest Regards ~ Barbara

**Remember to stay tuned to Channel 20, The Youth Scoop, the Montville Times, and our website: [www.montvilleyouth.org](http://www.montvilleyouth.org) for updated program & event information, or give us a call at 848-7724 to speak with a staff member.
